The Great Escape has a 3 storey black light Laser Tag that is second to none. The system is state of the art and guaranteed to be a real winner with kids and adults. It is a multi game system that allows you to play as an individual or part of a team.

Adjacent to the Laser Tag is our Highway 66 Bowling Alley. It is a ten pin system that uses 5 pin balls and is completely interactive with state of the art electronics and game features. Yes you can play a regular game of ten pin, but you can also choose from 10 other one of a kind fun games to play.

Overtop of our Bowling Alley is our Air Trek Obstacle Adventure Challenge Course that is suspended in the air 20 feet above the ground. Here our guests put on harnesses and traverse one of 12 of our very challenging courses. Walk the tightrope, skip across the spinning bridge, and try and keep your balance...there is no net!

While on the rope course, you can get eye to eye with the folks on one of our two floors.

The Great Escape has a 200 seat Café that serves burgers, fries, wings, chicken strips, salad, pizzas, fresh sandwiches on focaccia bread, hot dogs, soup, popcorn, fresh baked cookies, muffins and more. You can relax with a mocha, icy french vanilla, cappuccino or latte while you watch your kids play or watch one of the 10 big screen monitors we have throughout the center.

The Great Escape is wired for sound and has 8 separate sound zones. We have six party rooms that can be booked with one of our party packages and we can also host corporate and team events either in a party room or in our 60 seat Mezzanine that overlooks the playground, also a 40 seat area which is an open party area. All have their own sound system, lighting and a 60 inch big screen that can be utilized for presentations, meetings, or just to watch the big game.

There is only one way in and one way out and all kids need to register as they enter and leave. We have a great group of staff members who will be there to ensure all our guests have a **Great Escape Experience!**

**We are safe, clean, and healthy entertainment center with tons of FUN!**
